## Daily Doozies

***Take A Stand Thursday:*** In a small minority of schools across the nation, students do not earn grades; rather, they receive regular written and oral evaluations of their work. Some people believe that this is more effective for learning than the grading system, which they believe rewards students unevenly and encourages a competitiveness that is counterproductive to learning. How do you feel about this issue? Use specific reasons and examples to support your answer. *Remember to use 4-6 sentences for your response.*

***Free Your Mind Friday:*** It is the end of the week. Share your feelings, thoughts, or opinions about something you read, heard about, observed this week.
